RE: Transfer of Files and Withdrawal as Power of Attorney on Capital Analytics
Matters at the United States Patent & Trademark Office

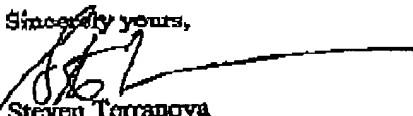

Dear Cami:

Thank you for our phone conversation today. I am writing this letter to confirm your instructions to me regarding Capital Analytics files and matters being handled by our firm.

It is my understanding that you want our firm to transfer Capital Analytics' matters to Capital Analytics at this time rather than to another firm. As part of this transfer, our firm will prepare and file change the correspondence address requests for all active matters before the United States Patent & Trademark Office so that future correspondence is directed to your ^{Gene Pease} CEO attention at Capital Analytics as well as withdrawing as power of attorney. We will also deliver all of your physical files to you and provide a docketing report of all matters for your reference. We will also be available should you have any questions after the transfer.

Please sign this letter below and return to me by facsimile to confirm these instructions as soon as possible. If you have any questions whatsoever, please do not hesitate to call me.

Sincerely yours,

Steven Terranova
